

**IN THE UNITED STATES DISTRICT COURT  
FOR THE SOUTHERN DISTRICT OF OHIO  
EASTERN DIVISION**

NOVO NORDISK A/S AND NOVO  
NORDISK INC.,

Plaintiffs,

v.

FACE FORWARD AESTHETICS  
LLC,

Defendant.

Case No. 2:24-cv-3933

**COMPLAINT**

Plaintiffs Novo Nordisk A/S (“NNAS”) and Novo Nordisk Inc. (“NNI”) (collectively, “Plaintiffs” or “Novo Nordisk”), by and through their attorneys, file their complaint against Face Forward Aesthetics, LLC (“Defendant”) for trademark infringement, false advertising, and unfair competition, and seek injunctive and other relief. Plaintiffs allege as follows, on actual knowledge with respect to themselves and their own acts, and on information and belief as to all other matters.

**INTRODUCTION**

1. Novo Nordisk is a healthcare company with a 100-year history of innovation in developing medicines to treat serious chronic diseases like diabetes and obesity.
2. The development of semaglutide is an example of Novo Nordisk’s commitment to innovation for people living with chronic diseases. Semaglutide is the foundational molecule that serves as the primary ingredient for Novo Nordisk’s three prescription-only medicines approved by the Food and Drug Administration (“FDA”): Ozempic® (semaglutide) injection and Rybelsus® (semaglutide) tablets for adults with type 2 diabetes and Wegovy® (semaglutide) injection for chronic weight management.

3. Novo Nordisk is the only company in the United States with FDA-approved medicines containing semaglutide. Novo Nordisk is also the only company authorized to identify its FDA-approved semaglutide medicines using the trademarks Ozempic<sup>®</sup>, Wegovy<sup>®</sup>, and Rybelsus<sup>®</sup>. The FDA has not approved any generic versions of semaglutide. To the contrary, the FDA has sent warning letters to companies which claimed that their unapproved drug products have the “same active ingredient as Ozempic, Rybelsus, and Wegovy,” noting that the Ozempic<sup>®</sup> and Wegovy<sup>®</sup> medicines are currently the only “two injectable semaglutide products FDA-approved for the U.S. market.”<sup>1</sup>

4. This is an action brought pursuant to the Lanham Act, 15 U.S.C. §§ 1051 et seq., related state laws, and the common law arising out of Defendant’s infringement of Plaintiffs’ rights in their Ozempic<sup>®</sup> and Wegovy<sup>®</sup> marks and Defendant’s acts of false advertising and unfair competition.

5. Defendant uses Novo Nordisk’s Ozempic<sup>®</sup> mark to market and sell to patients compounded drug products that purport to contain semaglutide. Despite such compounded drug products having not been evaluated by the FDA for their safety, effectiveness, or quality, Defendant falsely and misleadingly represents to patients that its products are FDA-approved semaglutide medicines.

6. Defendant’s conduct is likely to confuse and deceive patients into mistakenly believing that they are purchasing authentic Novo Nordisk medicines or medicines that have been evaluated by the FDA, studied in clinical trials, and deemed safe and effective.

### **THE PARTIES**

7. Plaintiff NNAS is a corporation organized and existing under the laws of the Kingdom of Denmark and has its principal place of business in Bagsværd, Denmark.

8. Plaintiff NNI is a corporation organized and existing under the laws of Delaware and has its principal place of business in Plainsboro, New Jersey.

9. NNI promotes, offers, and sells Novo Nordisk's Ozempic<sup>®</sup> and Wegovy<sup>®</sup> medicines throughout the United States, including in this District. NNAS has granted to NNI exclusive rights to market, advertise, promote, offer for sale and sell Ozempic<sup>®</sup> and Wegovy<sup>®</sup> medicines in the United States.

10. Defendant Face Forward Aesthetics LLC is an Ohio limited liability company with a registered business address at 10 West Broad Street, Suite 2100, Columbus, Ohio 43215 in this judicial district. Defendant sells and promotes compounded drug products that purport to contain semaglutide and that are not approved by the FDA ("Unapproved Compounded Drugs"). Defendant uses the Ozempic<sup>®</sup> mark in its advertising and promotion of Unapproved Compounded Drugs that are not Ozempic<sup>®</sup> medicines.

### **JURISDICTION AND VENUE**

11. The Court has subject matter jurisdiction over the Lanham Act causes of action pleaded herein pursuant to 35 U.S.C. § 1121 and 28 U.S.C. § 1338(a). The Court has supplemental jurisdiction over the state and common law causes of action pleaded herein pursuant to 28 U.S.C. § 1338(b).

12. Venue is proper in this District pursuant to 28 U.S.C. § 1391 because Defendant operates in this District, manufactures and sells its compounded drug products that purport to contain semaglutide in this District, and otherwise conducts business in this District. Defendant is subject to personal jurisdiction in this District.

**NOVO NORDISK'S FDA-APPROVED SEMAGLUTIDE MEDICINES AND  
OZEMPIC® AND WEGOVY® TRADEMARKS**

13. Plaintiffs use the trademarks “Ozempic,” “Wegovy,” and “Rybelsus” to identify and promote the FDA-approved Ozempic®, Wegovy®, and Rybelsus® medicines. The Ozempic®, Wegovy®, and Rybelsus® medicines are sold and marketed in the United States by NNAS’s indirect, wholly-owned subsidiary, NNI.

14. The Ozempic® medicine is indicated for adults with type 2 diabetes to improve blood sugar (glucose), along with diet and exercise. The Ozempic® medicine also lowers the risk of major cardiovascular events such as stroke, heart attack, or death in adults with type 2 diabetes and known heart disease.

15. The Wegovy® medicine is indicated to reduce excess body weight and maintain weight reduction long term in adults and children aged  $\geq 12$  years with obesity, and some adults with overweight and weight-related medical problems, along with a reduced calorie diet and increased physical activity. The Wegovy® medicine is also indicated, with a reduced calorie diet and increased physical activity, to reduce the risk of major adverse cardiovascular events such as “cardiovascular” death, heart attack, or stroke in adults with known heart disease and with either obesity or overweight.

16. The Rybelsus® medicine is indicated for adults with type 2 diabetes to improve blood sugar (glucose), along with diet and exercise.

17. The Ozempic®, Wegovy®, and Rybelsus® medicines have been extensively studied in clinical trials and are FDA-approved.

18. Each of the Ozempic®, Wegovy®, and Rybelsus® medicines has a unique safety and efficacy profile which is detailed in its respective product label.

19. The Ozempic<sup>®</sup>, Wegovy<sup>®</sup>, and Rybelsus<sup>®</sup> medicines are prescription-only medicines that should only be prescribed in direct consultation with, and under the supervision of, a licensed healthcare professional.

20. Novo Nordisk first adopted and used the Ozempic<sup>®</sup> mark at least as early as 2017, and has used it continuously since that time.

21. The Ozempic<sup>®</sup> trademark is inherently distinctive.

22. Novo Nordisk has promoted, advertised, and marketed its prescription-only medicine using the Ozempic<sup>®</sup> mark in many different channels, directed to physicians, other health care professionals, and patients, including on the websites ozempic.com and novonordisk-us.com. As a result of its use of the Ozempic<sup>®</sup> mark, NNAS owns valuable common law rights in and to the Ozempic<sup>®</sup> mark.

23. Plaintiff NNAS is the owner of U.S. trademark registration number 4,774,881, issued on July 21, 2015, for the mark Ozempic<sup>®</sup> for pharmaceutical preparations, in International Class 5. A true and correct copy of Plaintiff NNAS's registration for the Ozempic<sup>®</sup> mark is attached hereto as **Exhibit A**.

24. Novo Nordisk first adopted and used the Wegovy<sup>®</sup> mark at least as early as 2021, and has used it continuously since that time.

25. The Wegovy<sup>®</sup> trademark is inherently distinctive.

26. Novo Nordisk has promoted, advertised, and marketed its prescription-only medicine using the Wegovy<sup>®</sup> mark in many different channels, directed to physicians, other health care professionals, and patients, including on the websites wegovy.com and novonordisk-us.com. As a result of its use of the Wegovy<sup>®</sup> mark, NNAS owns valuable common law rights in and to the Wegovy<sup>®</sup> mark.

27. Plaintiff NNAS is the owner of (a) U.S. trademark registration number 6,585,492, issued on December 14, 2021, for the mark Wegovy® for pharmaceutical preparations, in International Class 5; and (b) U.S. trademark registration number 6,763,029, issued on June 21, 2022, for the mark Wegovy® in a stylized form for pharmaceutical preparations, in International Class 5. True and correct copies of Plaintiff's registrations numbers 6,585,492 and 6,763,029 for the Wegovy® mark are attached hereto as **Exhibit B** and **Exhibit C**, respectively.

28. Novo Nordisk first adopted and used the Rybelsus® mark at least as early as 2018 and has used it continuously since that time.

29. The Rybelsus® trademark is inherently distinctive.

30. Novo Nordisk has promoted, advertised, and marketed its prescription-only medicine using the Rybelsus® mark in many different channels, directed to physicians, other health care professionals, and patients, including on the websites rybelsus.com and novonordisk-us.com. As a result of its use of the Rybelsus® mark, NNAS owns valuable common law rights in and to the Rybelsus® mark.

31. Plaintiff NNAS is the owner of (a) U.S. trademark registration number 5,682,853, issued on February 26, 2019, for the mark Rybelsus® for pharmaceutical preparations, in International Class 5. True and correct copies of Plaintiff's registration number 5,682,853 for the Rybelsus® mark are attached hereto as **Exhibit D**.

32. As a result of Novo Nordisk's long use, promotion, and advertising of the Ozempic®, Wegovy®, and Rybelsus® trademarks and medicines, the Ozempic®, Wegovy®, and Rybelsus® marks are exclusively associated with Plaintiffs, serve to identify genuine Novo Nordisk medicines, and are valuable assets of Novo Nordisk.

33. As a result of Novo Nordisk's long use, promotion, and advertising of the Ozempic®, Wegovy®, and Rybelsus® trademarks and medicines, the Ozempic®, Wegovy®, and

Rybelsus<sup>®</sup> trademarks are well-known, strong, and famous marks, and became such prior to any of the acts of Defendant complained of herein.

**DEFENDANT’S SALE OF UNAPPROVED COMPOUNDED DRUGS**

34. Novo Nordisk does not sell its FDA-approved semaglutide medicines, Ozempic<sup>®</sup> and Wegovy<sup>®</sup>, to Defendant for resale or redistribution.

35. Defendant markets and sells to patients Unapproved Compounded Drugs that purport to contain semaglutide and that are not approved by the FDA.

36. On information and belief, the Unapproved Compounded Drugs sold by Defendant are made by compounding pharmacies, which deliver them either directly to patients or to Defendant for administration or dispensing to patients.

37. The FDA defines compounding as a “practice in which a licensed pharmacist, a licensed physician, or, in the case of an outsourcing facility, a person under the supervision of a licensed pharmacist, combines, mixes, or alters ingredients of a drug to create a medication tailored to the needs of an individual patient.”<sup>2</sup>

38. According to the FDA, “[c]ompounded drugs are not FDA-approved. This means that FDA does not review these drugs to evaluate their safety, effectiveness, or quality before they reach patients.”<sup>3</sup>

39. The FDA has further stated that compounded drugs “do not have the same safety, quality, and effectiveness assurances as approved drugs. Unnecessary use of compounded drugs unnecessarily exposes patients to potentially serious health risks.”<sup>4</sup> As the FDA has explained, “[c]ompounded drugs pose a higher risk to patients than FDA-approved drugs because

<sup>2</sup> Human Drug Compounding, <https://www.fda.gov/drugs/guidance-compliance-regulatory-information/human-drug-compounding>.

<sup>3</sup> Compounding Laws and Policies, <https://www.fda.gov/drugs/human-drug-compounding/compounding-laws-and-policies>.

<sup>4</sup> Compounding and the FDA: Questions and Answers, <https://www.fda.gov/drugs/human-drug-compounding/compounding-and-fda-questions-and-answers>.

compounded drugs do not undergo FDA premarket review for safety, quality or effectiveness. Compounded drugs should only be used for patients whose medical needs cannot be met by an available FDA-approved drug.”<sup>5</sup>

40. Based on data as of June 30, 2024, the FDA’s Adverse Event Reporting System (FAERS) database includes 542 cases of adverse events associated with compounded “semaglutide.”<sup>6</sup> Of those cases, 388 were classified as “serious” adverse events, 124 reported hospitalization, and ten involved deaths. This is more than twice the number of adverse events for all compounded drugs in 2022. The FDA has received reports of adverse events, some requiring hospitalization, related to overdoses from dosing errors associated with compounded “semaglutide” products.<sup>7</sup> In several instances, patients mistakenly administered five to 20 times more than the intended dose of compounded “semaglutide.” The FDA believes the containers and packaging used by compounders, including multidose vials and prefilled syringes, the varying product concentrations, and the instructions accompanying the compounded drug contribute to the potential medical errors. A previous publication from the Journal of the American Pharmacists Association also highlighted administration errors where patients accidentally self-administered doses of compounded “semaglutide” up to 10 times greater than the intended amount.<sup>8</sup>

41. FDA has issued guidance on “Medications Containing Semaglutide Marketed for Type 2 Diabetes or Weight Loss,” which provides that: (1) “compounded drugs are not FDA-

approved or evaluated for safety and effectiveness”; and (2) “FDA has received adverse event reports after patients used compounded semaglutide. Patients should not use a compounded drug if an approved drug is available to treat a patient. Patients and health care professionals should understand that the agency does not review compounded versions of these drugs for safety, effectiveness, or quality.”<sup>9</sup>

**DEFENDANT’S TRADEMARK INFRINGEMENT AND FALSE  
ADVERTISING IN CONNECTION WITH ITS SALE OF UNAPPROVED  
COMPOUNDED DRUGS**

42. Despite the foregoing, and well after NNAS’s first use and registration of its Ozempic<sup>®</sup>, Wegovy<sup>®</sup>, and Rybelsus<sup>®</sup> marks, Defendant has used Novo Nordisk’s Ozempic<sup>®</sup> trademark to market and sell Unapproved Compounded Drugs purporting to contain “semaglutide” that are neither Ozempic<sup>®</sup> nor Wegovy<sup>®</sup>, and has made false and misleading representations to patients regarding the nature of its Unapproved Compounded Drugs.

43. Defendant promotes its Unapproved Compounded Drugs by offering a “Semaglutide for Weight Management” program including on its website and social media pages. These pages falsely claim that its Unapproved Compounded Drug allegedly containing semaglutide is “commonly known by the brand names Wegovy and Ozempic”:

## Coolsculpting Vs. Semaglutide: Weighing In On Your Med Spa Options For Fat Loss

When it comes to weight loss treatments, there is certainly no shortage of options. From expensive group fitness classes to fad diets or invasive surgical intervention, it seems we are constantly seeking effective and sustainable methods to shed those extra pounds, especially those of us who may have experienced the quarantine 20 (or 30... or 40). In recent years, two popular choices have emerged in the med spa space: Coolsculpting and Semaglutide. While Coolsculpting targets localized fat reduction through a non-invasive procedure, Semaglutide offers a pharmacological approach to weight loss. We will explore the key differences between these two options and which treatment might work best in achieving long-term weight loss success.

**FACE FORWARD AESTHETICS** Services ▾ Memberships ▾ Locations ▾ About Us ▾ [BOOK NOW](#)

Coolsculpting, also known as cryolipolysis, is a non-surgical procedure that aims to eliminate stubborn fat cells by freezing them. This treatment involves applying controlled cooling to targeted areas of the body, such as the stomach, thighs, or arms. While Coolsculpting may provide visible results in terms of fat reduction, it does not address the underlying causes of weight gain or promote overall health improvements. Most patients require 1-3 treatments per area which can cost \$700-\$3000+ per session depending on the provider and treatment area.

Coolsculpting can also come with complications such as paradoxical adipose hyperplasia (PAH), experienced famously by model Linda Evangelista. When this occurs, instead of eliminating the fat cells that were treated with CoolSculpting, they expand and harden, resulting in a large bulge where the treatment was applied.

### What is Semaglutide?

Semaglutide is an innovative drug that has been well studied for the treatment of obesity. It works by mimicking the effects of a hormone called glucagon-like peptide-1. Semaglutide is also commonly known by the brand names Wegovy or Ozempic, all help to regulate appetite, control blood sugar levels, and increase feelings of fullness. Unlike Coolsculpting, Semaglutide tackles the root causes of weight gain and offers a comprehensive approach to weight loss management.

### What is the Best Treatment for Weight Loss?

Coolsculpting addresses localized fat in certain areas and Semaglutide tackles weight loss from a broader perspective. By targeting the hormonal imbalances and signaling pathways involved in weight gain, Semaglutide offers a more holistic and sustainable solution. Here are a few other reasons why Semaglutide is the better choice for weight loss:

- **Clinical Efficacy:** Numerous clinical trials have demonstrated the effectiveness of Semaglutide in achieving significant weight loss. In a recent study, individuals treated with Semaglutide achieved an average weight loss of 15% or more, compared to a 2% weight loss with placebo. These results highlight the potency of Semaglutide as a weight loss tool.
- **Improved Overall Health:** Unlike Coolsculpting, which solely focuses on cosmetic changes, Semaglutide offers additional health benefits. It helps lower blood sugar levels, reduce insulin resistance, and decrease the risk of developing cardiovascular diseases and type 2 diabetes.
- **Convenience and Accessibility:** Coolsculpting requires multiple treatment sessions and often entails discomfort during the procedure. Semaglutide offers a convenient option for weight loss. It is available in a once-weekly injectable form, making it easier to incorporate into your daily health routine.
- **Psychological Impact:** Weight loss is not only about physical changes but also about psychological well-being. Semaglutide has been shown to improve quality of life, reduce emotional eating, and enhance self-esteem.

### Choose Face Forward Aesthetics for Weight Loss Services

While Coolsculpting may provide localized fat reduction, Semaglutide emerges as the superior option for those seeking effective and sustainable weight loss. Embrace a healthier you by choosing [Semaglutide injections](#) at our [Columbus, Toledo, Cleveland, and Pittsburgh](#) med spa locations.

44. Such statements falsely indicate that Defendant's Unapproved Compounded Drugs are a generic version of the Ozempic® or Wegovy® medicines. A generic drug is one that the FDA has found to meet the "same high standards of quality and manufacturing as the brand-name

product.”<sup>10</sup> No generic form of Plaintiffs’ FDA-approved Ozempic® and Wegovy® medicines currently exists.

45. As depicted below, Defendant has claimed or implied that its Unapproved Compounded Drugs have been approved by the FDA or have been reviewed by the FDA for safety, effectiveness, and quality:

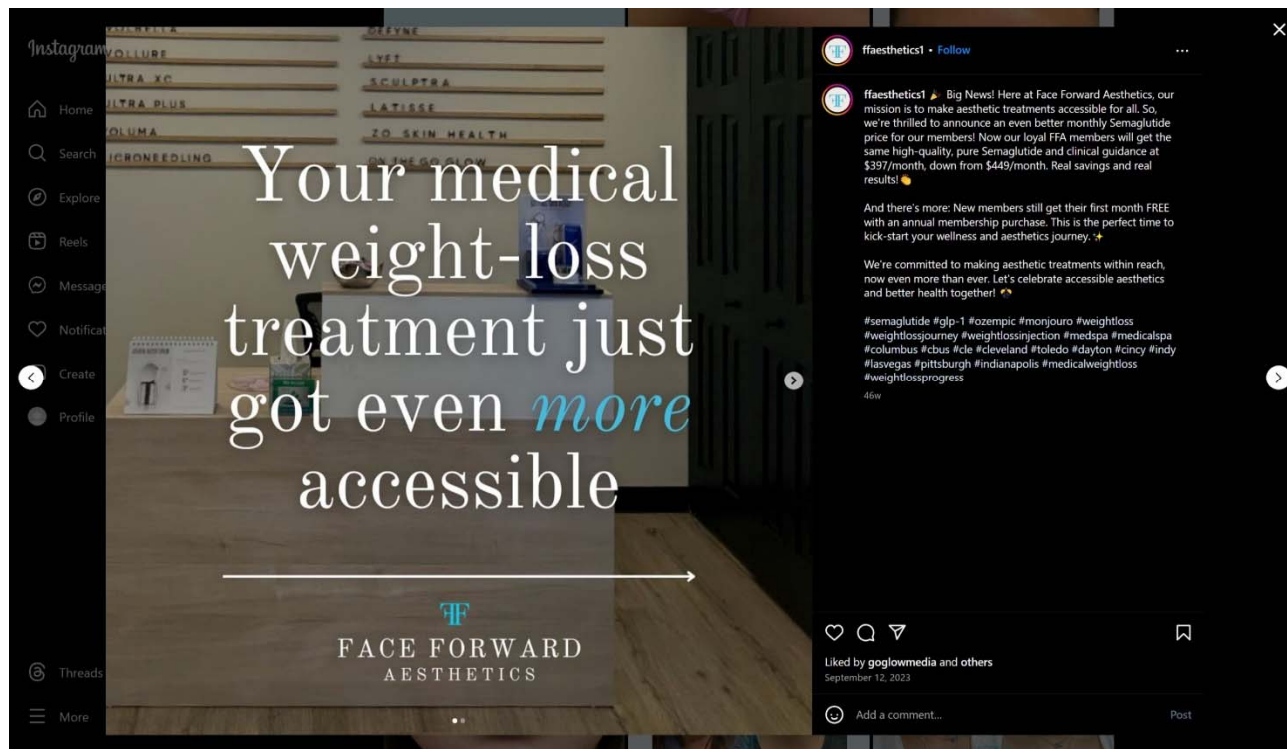

46. Defendant has also falsely advertised its Unapproved Compounded Drugs by making statements that describe Ozempic® or Wegovy® but that are false or misleading when in reference to Defendant’s Unapproved Compounded Drugs. As depicted below, Defendant has claimed or implied that its Unapproved Compounded Drugs have been subjected to clinical studies

<sup>10</sup> U.S. Food & Drug Administration – Generic Drugs: Questions & Answers (March 16, 2021) <https://www.fda.gov/drugs/frequently-asked-questions-popular-topics/generic-drugs-questions-answers#:~:text=A%20generic%20drug%20is%20a,performance%20characteristics%2C%20and%20intended%20use.>

and trials, or have otherwise achieved certain therapeutic outcomes attributable to Wegovy® or Ozempic®:

47. As depicted below, Defendant has advertised its Unapproved Compounded Drugs on social media using a “#Ozempic” hashtag, diverting traffic from Plaintiffs’ FDA-approved medicines and creating a likelihood of confusion as to the source of these drugs:

48. On information and belief, Defendant has engaged in these unlawful practices to attract customers and generate revenues and profits.

49. Defendant has used the Ozempic<sup>®</sup> and Wegovy<sup>®</sup> marks without the permission, consent or authorization of Novo Nordisk to promote its Unapproved Compounded Drugs. Defendant has no right to use, and Defendant knows that it has no right to use, the Ozempic<sup>®</sup> and Wegovy<sup>®</sup> marks in connection with Defendant's Unapproved Compounded Drugs or otherwise.

50. Novo Nordisk has no control over the nature, quality, or efficacy of the products sold by Defendant, including the Unapproved Compounded Drugs.

51. There is no need for Defendant to use the Ozempic<sup>®</sup> and Wegovy<sup>®</sup> trademarks to advertise or promote its Unapproved Compounded Drugs purporting to contain "semaglutide," other than to trade on the reputation of Plaintiffs and to create confusion in the marketplace or mislead the public regarding the origin, identity, or source of Defendant's Unapproved Compounded Drugs.

52. Defendant's false and misleading marketing is also likely to expose patients to unnecessary risks. Patients who mistakenly believe Defendant to be offering Novo Nordisk's FDA-approved medicines, or equivalent thereto, are unlikely to understand the unique risks associated with, or the lack of clinical trials or testing establishing the safety and effectiveness of, Defendant's Unapproved Compounded Drugs.<sup>11</sup>

53. On information and belief, unless enjoined by this Court, Defendant will continue to use the Ozempic® and Wegovy® marks and otherwise falsely advertise its products as associated with or being Ozempic® and Wegovy®, all in violation of Plaintiffs' rights.

54. On information and belief, unless enjoined by this Court, Defendant's unauthorized use of the Ozempic® and Wegovy® trademarks will continue to cause confusion, mistake, and deception, and infringe Plaintiffs' established exclusive rights in those trademarks.

### **FIRST CAUSE OF ACTION**

#### **Trademark Infringement in Violation of 15 U.S.C. § 1114(1)**

55. Plaintiff NNAS realleges and incorporates by reference each of the allegations in the preceding paragraphs of this Complaint as though fully set forth here.

56. Plaintiff NNAS's Ozempic® and Wegovy® marks are inherently distinctive, strong, valid, and protectable trademarks owned by Plaintiff NNAS.

57. Plaintiff NNAS's registration constitutes *prima facie* evidence of the validity of the Ozempic® mark, of Plaintiff NNAS's registration and ownership of the mark, and of Plaintiff

<sup>11</sup> See, e.g., Dozens Say They Lost Eyesight After Routine Surgery Using Compounded Pharmacy Drugs, WFAA, <https://www.wfaa.com/article/news/do-not-publish-yet/287-5f002ed3-e110-4063-9959-a2e5f54b5097> (reporting mistaken belief of patient taking a compounded drug that "every pill you take, every shot you take is tested."); FDA Alerts Health Care Providers, Compounders and Patients of Dosing Errors Associated with Compounded Injectable Semaglutide Products, [https://www.fda.gov/drugs/human-drug-compounding/fda-alerts-health-care-providers-compounders-and-patients-dosing-errors-associated-compounded?utm\\_medium=email&utm\\_source=govdelivery](https://www.fda.gov/drugs/human-drug-compounding/fda-alerts-health-care-providers-compounders-and-patients-dosing-errors-associated-compounded?utm_medium=email&utm_source=govdelivery) ("Compounded drugs pose a higher risk to patients than FDA-approved drugs because compounded drugs do not undergo FDA premarket review for safety, quality or effectiveness.").

NNAS's exclusive right to use the mark in commerce on or in connection with the goods identified in the registration.

58. Plaintiff NNAS's trademark registrations for its Wegovy<sup>®</sup> marks constitute *prima facie* evidence of the validity of the marks, of Plaintiff NNAS's registration and ownership of the marks, and of Plaintiff NNAS's exclusive right to use the marks in commerce on or in connection with the goods identified in the registrations.

59. By virtue of its prior use and registration, Plaintiff NNAS has priority over Defendant with respect to the use of the Ozempic<sup>®</sup> and Wegovy<sup>®</sup> marks for pharmaceutical preparations sold in the United States.

60. Defendant uses the Ozempic<sup>®</sup> and Wegovy<sup>®</sup> marks in connection with the sale, advertising, and promotion of Unapproved Compounded Drugs purporting to contain semaglutide.

61. Defendant's use in commerce of the Ozempic<sup>®</sup> and Wegovy<sup>®</sup> marks is likely to cause confusion, to cause mistake, or to deceive with respect to Plaintiff NNAS's identical marks.

62. The above-described acts of Defendant constitute infringement of registered trademarks in violation of Section 32(1) of the Lanham Act, 15 U.S.C. § 1114(1), entitling Plaintiff NNAS to relief.

63. Defendant has unfairly profited from its trademark infringement.

64. By reason of Defendant's acts of trademark infringement, Plaintiff NNAS has suffered damage to the goodwill associated with its marks.

65. Defendant's acts of trademark infringement have irreparably harmed and, if not enjoined, will continue to irreparably harm Plaintiff NNAS, its federally registered trademarks and the valuable goodwill associated with those trademarks.

66. Defendant's acts of trademark infringement have irreparably harmed, and if not enjoined, will continue to irreparably harm the interests of the public in being free from confusion, mistake, and deception.

67. By reason of Defendant's acts, Plaintiff NNAS's remedies at law are not adequate to compensate for the injuries inflicted by Defendant. Accordingly, Plaintiff NNAS is entitled to entry of preliminary and permanent injunctive relief pursuant to 15 U.S.C. § 1116.

68. By reason of Defendant's willful acts of trademark infringement, Plaintiff NNAS is entitled to disgorgement of Defendant's profits (enhanced at the Court's discretion), treble damages, and costs under 15 U.S.C. § 1117.

69. This is an exceptional case, making Plaintiff NNAS eligible for an award of attorneys' fees under 15 U.S.C. § 1117.

## **SECOND CAUSE OF ACTION**

### **Trademark Infringement, False Designation of Origin, and Unfair Competition in Violation of 15 U.S.C. § 1125(a)(1)(A)**

70. Plaintiffs reallege and incorporate by reference each of the allegations in the preceding paragraphs of this Complaint as though fully set forth here.

71. Defendant uses the Ozempic<sup>®</sup> and Wegovy<sup>®</sup> marks in commerce in connection with Defendant's goods and services and in commercial advertising and promotion of its goods and services.

72. Defendant uses the Ozempic<sup>®</sup> and Wegovy<sup>®</sup> marks in commerce in a manner that is likely to cause confusion, or to cause mistake, or to deceive the relevant public into believing that Defendant's goods or services are authorized, sponsored, approved by, or otherwise affiliated with Plaintiffs, with Plaintiffs' genuine Ozempic<sup>®</sup> and Wegovy<sup>®</sup> medicines, and with the Ozempic<sup>®</sup> and Wegovy<sup>®</sup> marks.

73. The above-described acts of Defendant constitute infringement of the Ozempic® and Wegovy® marks and use of false designations of origin in violation of Section 43(a)(1)(A) of the Lanham Act, 15 U.S.C. § 1125(a)(1)(A), entitling Plaintiffs to relief.

74. Defendant has unfairly profited from the actions alleged.

75. By reason of the above-described acts of Defendant, Plaintiffs have suffered damage to the goodwill associated with the Ozempic® and Wegovy® trademarks.

76. The above-described acts of Defendant have irreparably harmed and, if not enjoined, will continue to irreparably harm Plaintiffs, the Ozempic® and Wegovy® trademarks, and the valuable goodwill associated with the trademarks.

77. The above-described acts of Defendant have irreparably harmed and, if not enjoined, will continue to irreparably harm the interest of the public in being free from confusion, mistake, and deception.

78. By reason of Defendant's acts, Plaintiffs' remedies at law are not adequate to compensate for the injuries inflicted by Defendant. Accordingly, Plaintiffs are entitled to entry of preliminary and permanent injunctive relief pursuant to 15 U.S.C. § 1116.

79. Because the above-described acts of Defendant are willful, Plaintiffs are entitled to disgorgement of Defendant's profits (enhanced at the Court's discretion), treble damages, and costs under 15 U.S.C. § 1117.

80. This is an exceptional case, making Plaintiffs eligible for an award of attorneys' fees under 15 U.S.C. § 1117.

### **THIRD CAUSE OF ACTION**

#### **Defendant's False and Misleading Advertising and Promotion in Violation of 15 U.S.C. § 1125(a)(1)(B)**

81. Plaintiffs reallege and incorporate by reference each of the allegations in the preceding paragraphs of this Complaint as though fully set forth here.

82. Defendant's practices, as described in this Complaint, constitute unfair competition and false advertising in violation of Section 43(a)(1)(B) of the Lanham Act, 15 U.S.C. § 1125(a)(1)(B).

83. Defendant has violated the Lanham Act by using false or misleading descriptions of fact and false or misleading representations of fact in its commercial advertising or promotion that misrepresent the nature, characteristics, and qualities of Defendant's business practices and products, as set forth above.

84. Defendant has also engaged in other false or misleading advertising and promotion intended to assure patients that Defendant's practices are lawful. On information and belief, Defendant provides patients who purchase Defendant's Unapproved Compounded Drugs (or whom Defendant is trying to persuade to purchase its drugs) information that makes several false or misleading statements, including those described herein and in the exhibits hereto.

85. The above-described acts of Defendant, if not enjoined by this Court, are likely to deceive members of the general public.

86. The above-described acts of Defendant have irreparably harmed and, if not enjoined, will continue to irreparably harm Plaintiffs.

87. The above-described acts of Defendant have irreparably harmed and, if not enjoined, will continue to irreparably harm the interest of the public in being free from confusion, mistake, and deception.

88. By reason of Defendant's acts as alleged above, Plaintiffs have suffered and will continue to suffer injuries, including injury to Plaintiffs' business reputation. However, Plaintiffs' remedies at law are not adequate to compensate for all the injuries inflicted by Defendant. Accordingly, Plaintiffs are entitled to entry of preliminary and permanent injunctive relief requiring

Defendant to cease its false and misleading advertising and promotion and unfair competitive practices.

89. Because the above-described acts of Defendant are willful, Plaintiffs are entitled to disgorgement of Defendant's profits (enhanced at the Court's discretion), treble damages, and costs under 15 U.S.C. § 1117.

90. This is an exceptional case, making Plaintiffs eligible for an award of attorneys' fees under 15 U.S.C. § 1117.

#### **FOURTH CAUSE OF ACTION**

##### **Unfair Competition in Violation of the Common Law**

91. Plaintiffs reallege and incorporate by reference each of the allegations in the preceding paragraphs of this Complaint as though fully set forth here.

92. The above-described acts of Defendant constitute common law unfair competition.

93. The above-described acts of Defendant unfairly and wrongfully exploit Plaintiffs' trademark, goodwill, and reputation.

94. By reason of the above-described acts of Defendant, Plaintiffs have suffered damage to the goodwill associated with the Ozempic® and Wegovy® trademarks.

95. The above-described acts of Defendant have irreparably harmed and, if not enjoined, will continue to irreparably harm Plaintiffs and the Ozempic® and Wegovy® trademarks.

96. The above-described acts of Defendant have irreparably harmed and, if not enjoined, will continue to irreparably harm the interest of the public in being free from confusion, mistake, and deception.

97. By reason of Defendant's acts, Plaintiffs' remedies at law are not adequate to compensate for the injuries inflicted by Defendant. Accordingly, the Court should enter preliminary and injunctive relief, in addition to awarding disgorgement of Defendant's profits (enhanced at the Court's discretion) and corrective advertising costs to NNAS.

### **FIFTH CAUSE OF ACTION**

#### **Deceptive Trade Practices in Violation of Ohio R.C. 4165.01 et seq.**

98. Plaintiffs reallege and incorporate by reference each of the allegations in the preceding paragraphs of this Complaint as though fully set forth here.

99. The above-described acts of Defendant constitute deceptive trade practices in violation of the laws of the State of Ohio.

100. Specifically, said acts are likely to cause confusion as to source, sponsorship, approval, or certification of goods or services in violation of R.C. 4165.02(A)(2) and are likely to mislead consumers as to the standard, quality, or grade of Defendant's products in violation of R.C. 4165.02(A)(9).

101. The above-described acts of Defendant have irreparably harmed and, if not enjoined, will continue to irreparably harm the interest of the public in being free from confusion, mistake, and deception.

102. By reason of Defendant's willful acts, Plaintiffs' remedies at law are not adequate to compensate for the injuries inflicted by Defendant. Accordingly, the Court should enter preliminary and permanent injunctive relief, in addition to awarding damages and attorney's fees.

### **REQUEST FOR RELIEF**

WHEREFORE, Plaintiffs request judgment against Defendant as follows:

1. That the Court enter a judgment against Defendant that Defendant has:
  - a. Infringed the rights of Plaintiff NNAS in its federally registered Ozempic® and Wegovy® marks in violation of 15 U.S.C. § 1114(1);
  - b. Infringed the rights of Plaintiffs in the Ozempic® and Wegovy® marks and engaged in unfair competition, in violation of 15 U.S.C. § 1125(a);
  - c. Engaged in false and misleading advertising and promotion, in violation of 15 U.S.C. § 1125(a);

- d. Engaged in unfair competition under the common law of Ohio and Ohio's Deceptive Trade Practices laws.
2. That each of the above acts was willful.
3. That the Court preliminarily and permanently enjoin and restrain Defendant and its agents, servants, employees, successors, and assigns, and all other persons acting in concert with or in conspiracy with or affiliated with Defendant, from:
  - a. using the Ozempic<sup>®</sup> and Wegovy<sup>®</sup> marks in any manner, including but not limited to
    - (i) use in any manner that is likely to cause confusion or mistake, to deceive, or otherwise infringe Novo Nordisk's rights in the Ozempic<sup>®</sup> and Wegovy<sup>®</sup> marks in any way, or
    - (ii) use in connection with the advertising, marketing, sale, or promotion of any Unapproved Compounded Drugs; and,
  - b. advertising, stating, or suggesting that any Unapproved Compounded Drugs, including but not limited to any Unapproved Compounded Drugs that either are available, directly or indirectly, from or through Defendant or the use of which or access to which is facilitated by, or with the involvement of, Defendant:
    - i. are, or contain, genuine or authentic Novo Nordisk Ozempic<sup>®</sup> or Wegovy<sup>®</sup> medicines;
    - ii. are sponsored by or associated with Novo Nordisk;
    - iii. are approved by the FDA; have been reviewed by the FDA for safety, effectiveness, or quality; or have been demonstrated to the FDA to be safe or effective for their intended use;
    - iv. achieve or have been shown or proven to achieve certain therapeutic results, effects, or outcomes, including but not limited to by relying on or making reference to clinical trial results for Novo Nordisk's medicines;

- v. achieve or have been shown or proven to achieve therapeutic results, effects, or outcomes similar or identical to Novo Nordisk's medicines or are interchangeable with or equivalent to genuine Novo Nordisk medicines;
- vi. are associated or connected in any way with Novo Nordisk or Novo Nordisk's medicines; or
- vii. contain any ingredient (including but not limited to semaglutide) that is supplied by Novo Nordisk, is approved by the FDA, or is the same as any ingredient in any Novo Nordisk medicine.

- c. engaging in any unfair competition with Plaintiffs; and
- d. engaging in any deceptive acts or practices.

4. That the Court require Defendant to disclose conspicuously and prominently in any public-facing materials for any Unapproved Compounded Drugs, including but not limited to all advertising, marketing, and promotional materials, that: (a) the Unapproved Compounded Drugs are compounded drugs that have not been approved by the FDA; have not been reviewed by the FDA for safety, effectiveness, or quality; and have not been demonstrated to the FDA to be safe or effective for their intended use; (b) the processes by which the compounded drugs are manufactured have not been reviewed by the FDA; and (c) FDA-approved medicines containing semaglutide are available.

5. That Plaintiffs be awarded monetary relief in the form of disgorgement of Defendant's profits for Defendant's trademark infringement, false advertising, and unfair competition and that this monetary relief be trebled due to Defendant's willfulness, in accordance with the provisions of 15 U.S.C. § 1117 and any applicable state laws.

6. That the Court award disgorgement of Defendant's profits resulting from Defendant's infringement of Plaintiffs' rights and by means of Defendant's unfair competition to Plaintiffs.

7. That Defendant be ordered to account for and disgorge to Plaintiffs all amounts by which Defendant has been unjustly enriched by reason of Defendant's unlawful actions.

8. That Plaintiffs be awarded punitive damages by reason of Defendant's willful unlawful actions.

9. For pre-judgment and post-judgment interest on all damages.

10. That the Court award Plaintiffs their reasonable attorneys' fees pursuant to 15 U.S.C. § 1117 and any other applicable provision of law.

11. That the Court award Plaintiffs the costs of suit incurred herein.

12. For such other or further relief as the Court may deem just and proper.

September 11, 2024

Respectfully submitted,

By: /s/ Gregory J. Krabacher
